JESSE LANE ONLINE WORKSHOP

"Riptide" Supply List

Welcome to my workshop!

Please use THIS supply list for your pencils *(the supply list in the workbook is outdated).*

You'll need to trace or transfer the line art onto your paper before the first class. (The line art will be emailed to you.) Please size the image so it's around 15.5" x 10". (That's the size of the IMAGE on the paper. The paper itself will be larger). Using a graphite pencil, trace the lines lightly enough to be erased. (I use a Ticonderoga Black HB 2 pencil.)

Refer to the workbook as you draw. It's a good idea to print it out and keep it by your side.

For this workshop, I'll use Prismacolor pencils. I'll refer to them using their Primsacolor names. If you're substituting with another brand, it's a good idea to label each pencil with its corresponding Prismacolor name so you can find them easily. You can label each pencil with a piece of tape.
