

## JESSE LANE WORKSHOP “After the Storm” Supply List

*Welcome to my workshop!*

*You'll need to trace or transfer the line art onto your paper before the first class. The line art will be emailed to you. Trace the image so it's around 14" x 11".*

*Using a graphite pencil, trace the lines **lightly enough to be erased**. (I use a Ticonderoga Black HB 2 pencil.) Your paper must be white. For this workshop, I recommend Strathmore Bristol Vellum 300, 11" x 14".*

*You'll need to refer to the workbook as you draw. It's a good idea to print it out and keep it by your side.*

*The pencils I use for this project are **Holbein Artists' Pencils**. You also have the option of using **Prismacolor**. On the list below, I've listed the Holbein color first, followed by the Prismacolor name in parenthesis. Please feel free to mix the two brands. They work well together.*

***If you are not using Holbein, it's a good idea to label each pencil with its corresponding Holbein name so you can find your colors easily.** You can label each pencil with a piece of tape.*
