

JESSE LANE WORKSHOP
“Labyrinth” Supply List

Welcome to my workshop!

You'll need to trace or transfer the line art onto your paper before the first class.
The line art and workbook will be emailed to you.

Please size the image so it's around 15.5" x 13".. That's the size of the IMAGE on the paper. The paper itself will be larger.

Using a graphite pencil, trace the lines lightly enough to be erased. (I use a Ticonderoga Black HB 2 pencil.) Your paper must be white. For this workshop, I recommend Strathmore Bristol Vellum 300, 14" x 17".

You'll need to refer to the workbook as you draw. *It's a good idea to print it out and keep it by your side.*

The pencils I use are Prismacolor, and I'll be referring to them using their Prismacolor names. If you're substituting with another pencil brand, it's a good idea to label each pencil with its corresponding Prismacolor name so you can find your colors easily. You can label each pencil with a piece of tape.
