

JESSE LANE 'RESOLVE' ONLINE WORKSHOP
SUPPLY LIST

Welcome to my workshop!

You'll need to trace the line art onto your paper before the first class. (The line art will be emailed to you.) Please size the image so it's around 15.5" x 10". (That's the size of the IMAGE on the paper. The paper itself will be larger). Using a graphite pencil, trace the lines lightly enough to be erased. (I use a Ticonderoga Black HB 2 pencil.)

You'll need to refer to the workbook as you draw. It's a good idea to print it out and keep it by your side.

The pencils I use for this workshop are Prismacolor. I'll refer to them using their Primsacolor names. If you're substituting with another pencil brand, it's a good idea to label each pencil with

its corresponding Prismacolor name so you can find your colors easily. You can label each pencil with a piece of tape.
